

THE WORLD'S MOST ADVANCED SIMULATORS

When the dream becomes reality...

VRX Simulators UK Limited

VRX Z-55 iMotion

A triple 55" 4K display with curved central screen.

VRX Z-180 iMotion

A 4.5 metre seamless surround vision screen powered by three overhead enclosed projectors.

Taking home entertainment to the next level...

An experience that is so exhilarating and precise, VRX Simulators are the number one choice for both professionals and enthusiasts alike and include:

- Four actuator D-BOX system that delivers up to 2G's of dynamic motion and vibration
- Carbon fibre effect, hand polished stainless steel and aircraft grade aluminium components
- Powerful 500 watts surround sound speaker system
- Choice of sports, single seater, endurance, classic and hyper-cars from across the globe
- World's top race circuits
- Formula 1, NASCAR, IndyCar, Rally plus many others
- Vehicle customisation and tuning
- Participate in real-time races online with live international competitors
- Professional flight simulator also available
- Three year warranty

“I actually think this is the greatest
consumer gadget I’ve found in my
20 years of doing this...”

Jonathan Margolis
Financial Times “How To Spend It”
